Guideline of Manuscript Submission

-Manuscript should be follow research format including Introduction or Statement of the problem, Objective, Method, Result and Discussion. If necessary, conclusion and trust worth of research may be included. Article should contain abstract and keywords.

- Please try to limit to a maximum of 5000 -8000 words. The editorial board may decide to increase the limit in case of special articles if deemed necessary.

-The article body should be typed in 1.15 line spaced with arial/Times New Roman or in case of Bangla Suttomy mj / Nikosh font1 2. Mixing multiple fonts is annoying.

-In case of English, either British or American spelling and in Bengali the spelling recognized by Bangla Academy should be used.

-Articles should be sent in PDF and MS word format to the specified e-mail address.

-Authors must undertake that the article has not been published elsewhere or accepted for publication. The editorial board will not take responsibility.

As it is a multidisciplinary journal it may follow multiple conventions in term of reference. Only one style is acceptable in an article. CSE for Science, Harvard style for science/ Economics, APA for social science and Chicago or Turabian for literature and history are ideal. However, Chicago,Harvard or APA can be used in any discipline.
